November 2016

Dear Community Organization,

Enclosed are registration packages and promotional posters for the 2017 Winter Adapted Games (WAG). WAG is a non-profit organization run by Queen's students from the Schools of Kinesiology and Health Studies and Rehabilitation Therapy. Our primary goal is to provide an opportunity for persons with identified disabilities to participate in a day of non-competitive games, sports and activities. The purpose of the event is to promote physical activity in a supportive, fun, and social environment.

This year WAG is scheduled for **Saturday January 28th, 2017**.

As a result of the increasing popularity of WAG, we will be running two simultaneous programs this year, a junior and a senior. Having two programs allows us to facilitate age-appropriate and engaging activities for all participants.

WAG has been running for over 25 years and it has become increasingly popular with each successive year. We hope to continue to attract many participants and would be grateful for your help in reaching those who could benefit most from WAG. It would be appreciated if you could distribute the enclosed registration form and waiver to anyone in your organization who would fit the participant criteria for WAG. These forms are also available for download on our website and more paper copies can be provided upon request. The completed registration forms must be either faxed or mailed by **Friday January 6th, 2017** to the fax number or address above.

If you have any questions, concerns or require more registration packages please do not hesitate to contact us either by email at [reg4wag@hotmail.com](mailto:reg4wag@hotmail.com) or by phone:

Isobel Blakeney: 613-600-6676 or Jamie Luchenski: 647-280-1418

Thank you in advance for your help in promoting this **free event** to the community!

Isobel Blakeney & Jamie Luchenski
