November 2016

Dear Parent/Guardian,

Welcome to WAG 2017! The students from the Schools of Kinesiology and Health Studies and Rehabilitation Therapy are happy to host the 27th Annual Winter Adapted Games, a fun-filled day of non-competitive games, sports and activities for persons with identified disabilities. The purpose of the event is to promote physical activity in a supportive, fun, and social environment. There is no cost to participate in WAG.

Our theme this year is "Outer Space". Participants are welcome and encouraged to dress up in a costume (star, alien, planet etc.). This year WAG will be on **Saturday, January 28th 2017**. We run two simultaneous programs, a junior and a senior, in order to ensure the activities are engaging for participants of all ages.

It is important that both the waiver and registration form are signed and either faxed or mailed to the address/number above by **Friday, January 6th 2017**. These forms are also available for download on our web site. There is no registration on the day of WAG so please register prior.

Participants can be dropped off at the Athletics and Recreation Centre (ARC) at the Earl St. entrance at 8:30 am on the day of WAG. There will also be a closing ceremony at 4:00 pm that parents and guardians are welcome to attend!! It will be held at the School of Kinesiology and Health Studies at 28 Division St in room 101. This is where you will be picking up your participant(s) at the end of the day, which will be at approximately 4:30 pm.

If you have any questions or concerns, please do not hesitate to contact us by email at reg4wag@hotmail.com or phone:

Isobel Blakeney: 613-600-6676 or Jamie Luchenski: 647-280-1418

We look forward to hearing from you soon!

Isobel Blakeney & Jamie Luchenski
